

KEEP AMERICA BEAUTIFUL AFFILIATE

Keep Athens-Limestone Beautiful
2018 QUACKY DUCK DECORATING
GUIDELINES

JOIN THE FUN and decorate a wooden duck to reflect the 2018 theme:
“Athens Bicentennial: 200 Years of Duck Tales”
Make it whimsical, make it beautiful, make it unique!

KALB will provide a wooden duck on a stand which can be decorated any way you would like. This is a fundraiser for Keep Athens-Limestone Beautiful; however, there is no initial cost to participate.

THEME: There are many tales to be told of people, places, and events that have shaped the history of Athens. Ducks may reflect any point in that history from incorporation to present day. Be creative and have fun!

GUIDELINES FOR PARTICIPATION

- KALB will supply a wooden duck to any business, organization, or individual wishing to participate.
- We encourage participants to incorporate the theme in their creation; however, this will not be a firm requirement. We do require that all decorations be tasteful.
- You may paint and/or add any embellishments to the duck, as long as the duck footprint is no larger than 18”x18”.
- Participants are encouraged to attach items of value to their ducks to encourage the purchase of raffle tickets in an attempt to win your duck.
- Ducks should be completed no later than Monday, October 15, 2018 and should be displayed in a business or other public location where raffle tickets can be sold. Ducks may be displayed prior to that date. KALB will provide raffle tickets, instructions, and publicity for your duck. If you do not have a location to display your duck, it can be displayed at the KALB office.
- Ducks can be brought to the KALB office (or collected by KALB) on Monday, November 12th to prepare for display during the Chamber of Commerce Christmas Open House where additional raffle tickets will be sold.
- The winner of “Most Wanted – People’s Choice” ribbon will be awarded to the duck raising the most money in ticket sales. Judges will be selected to choose the winner of “Best Decorated Duck – Judges’ Choice”. Winners will be announced following the Christmas Open House.
