I understand that there is no fee for participation. The purpose of this event is to raise funds for Keep Athens-Limestone Beautiful, a non-profit organization. In lieu of a participation fee, participants are asked to attach something of value to the decorated duck to encourage the sale of raffle tickets to win your duck. I understand that the duck we decorate will become the property of Keep Athens-Limestone Beautiful. The ducks winning the "Most Wanted – People's Choice" and "Best Decorated Duck – Judges' Choice" ribbons will be announced the week following the Chamber Christmas Open House.

A list of guidelines will be provided upon receipt of this registration form.
